SUBJECT: South Laos Interdiction Report

REMARKS:

1. During our conversation on 9 September, you expressed an interest in the current status of interdiction efforts in South Laos, and I mentioned that we were preparing a status report on that topic. Attached is your copy of the report, which was not printed in time for me to bring it to our meeting.

2. I will make a point of reviewing the status of these efforts at each of our weekly sessions and will make sure that you receive a copy of any status reports, reviews or updates that we publish.
